MISCELLANEOUS.

THE MYSORE IMPERIAL SERVICE TROOPS WAR FUND.

A meeting of the Managing Committee of the Mysore Imperial Service Troops War Fund was held in the Imperial Service Lancers Reading Room, Hebbal, at 8 A.M., on Friday the 7th March 1919, under the presidency of His Highness the Yuvaraja of Mysore, G. C. I. E. The hall was tastefully decorated. A number of Military Officers of the Mysore Regiments stationed in Bangalore were also present by special invitation. Before the regular business of the meeting began Rajamantrapravina Dewan Bhadur Mr. J. S. Chakarvarti, M.A., F.R.A.S., Joint-Honorary Secretary of the Fund, spoke as follows:—

"Your Highness,

Before the regular business of the meeting begins, I crave Your Highness' gracious permission to refer to a feature of this meeting of our Committee, which though only very temporary is yet regrettable. I refer to the absence, owing to illness, of Sirdar Kantaraj Urs, who is one of our Vice-Presidents and also our Honorary Secretary. I think I am correct in saying that either a meeting of the General Committee or a meeting of the Managing Committee has been seldom held without his genial presence and active help and guidance. Even to-day though he is not present here I have not the least doubt that his sympathies and good wishes are with us. Your Highness, we all know that our much-esteemed and beloved Sirdar Sahib is rapidly recovering from his illness and for this we are fervently hopeful to Providence. And we all earnestly hope and pray to God that he may soon regain perfect health and resume his manifold and beneficent activities for the good of the State and the welfare of all sections of its population."

Mr. B. K. Garudachar said that he had no doubt that all present cordially cheered the sentiments expressed by Mr. Chakravarti.

His Highness in opening the proceedings said that at the last meeting of the Managing Committee held in March 1918 and that of the General Committee held in August 1918, the great war in which the Mysore Units were taking part was in full swing and the only thought of the Committee at that time was to send comforts to the men in the field and afford relief to their families here. Now they met under entirely different circumstances, when the great struggle was at an end. They had now to think as to how best they could afford a hearty reception to the victorious soldiers of Mysore, who would return to their home in a short time.
